To help birds the most in fall and winter, feed them foods which have the highest energy boost per bite. Feeding suet really gives them the biggest energy boost per bite. We stock a wide variety of suets to attract songbirds to your yard. If squirrels are a problem, try the Hot Pepper Suet – birds enjoy the suet and squirrels shy away from the hot taste.

Don't forget to clean your bird feeders before filling them up this year! In case you need them, we stock brushes to help you get into those cracks and crannies. Stop in and check out all our new wild bird products.

Now is the time to begin feeding Feed in a Drum Fescue Balancer and Crystalyx protein blocks for cattle. We also stock the Horselic and Goatlic products.

We truly believe we have the best customers in the world and want to Thank you for your continued patronage and friendship.
